To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, PAAE will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact their supervisor and request such an accommodation. The

individual with the disability should specify what accommodation they need to perform the job, or if unknown, what job duties the disability impairs. PAAE will then conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform the job. PAAE will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, PAAE will make the accommodation.
